

TARRYN DONAHUE

Chartered Accountant (CA)

Tarryn facilitates 20-20's group live delivery programs for Audit Staff and New In-Charge Staff.

Tarryn has been both a developer and instructor for audit training programs for over 10 years, instructing and facilitating programs ranging from new hire to manager level. She has significant experience in design, development, and implementation of learning solutions, including facilitation. Tarryn has both developed and facilitated in a variety of learning solutions from live classroom, to live webcasts and e-learning solutions.

Tarryn started her career in Cape Town, South Africa and transferred to PriceWaterhouseCoopers (PWC) in the Washington, DC area post-Sarbanes-Oxley. In her position at PWC as an auditor, she provided attest services and consulting with issuers in the technology, media, and communication industries, in their initial analysis for Sox implementation.

Tarryn is currently a manager of the design, development, and implementation of audit training. She has a post-graduate accounting degree from the University of the Free State, as well as a post-graduate diploma in auditing from the University of South Africa.
